Started Technology Consulting business, designing and maintaining websites, setting up and repairing computers & instructing others how to better use the technology available to them. Business has grown to over 300 accounts with no advertising efforts.

Volunteer Service

Website & Communications, Burr and Burton Academy's Global Minimum Initiative

Manchester, VT — August 2010-June 2012

Burr and Burton Academy's Global Minimum Initiative (BGMI) focused on raising money to indirectly purchase mosquito nets in Sierra Leone, Africa. Money went to David Sengeh's project, gMin. One of our members traveled with David Sengeh to Africa and helped to distribute nets. The project was completed in Fall 2012.

Founder & President, Burr and Burton Academy ECO Club

Manchester, VT — July 2012-Present

The ECO club (Burr and Burton Environmental Conservation Organization) mission is to fundraise to make BBA and our community more ECO-Friendly. So far, the club has sold custom reusable water bottles and purchased & installed reusable water bottle stations for Burr and Burton Academy.

Vice President, Manchester Leo's Club

Manchester, VT — August 2012-Present

The Manchester Leo's Club is a volunteer organization modeled under the Manchester Lion's Club. In the Leo's Club, I had to apply leadership qualities and other desirable traits to help others in need. This help came in the form of volunteer work at town events, raising money for various causes, and participating in many fundraisers. As Vice President, I was tasked with many of the organizational duties such as scheduling fundraisers and making sure all the bits and pieces came together smoothly.

Technology Consultant, Mark Skinner Library

Manchester, VT — August, 2011-Present

As Mark Skinner Library fundraises and plans for a move in two years to a new location with a new name (Manchester Community Library,) assisted in the maintenance of technology at the current library and assisted in the development of a technology plan for the new one.

Youthworks Mission Trip, First Congregational Church Youth Group

Schuykill County, PA / Manchester, VT — 2007-Present

In the summer between my sophomore and junior year, I went on a mission trip to Schuykill County, PA with my youth group. We met lots of people, assisted handicapped elderly in nursing homes, painted homes, and other misc. mission work. Our youth group often volunteers in more local places as well, serving meals at the Capital City Rescue Mission in Albany, the Dismas House in Rutland, or the Manchester Community Food Cupboard. In addition, we organize and run community suppers in the church vestry seasonally.

Co-Director, Q & A LIVE TV show

GNAT TV Studios; Manchester, VT — 2008-2011

I co-directed Bob Stannard's Q&A LIVE TV Show, switching between cameras during the recordings. Filming occurred generally once a month for 1 to 1.5 hours each month.
